

Managed Funds Association

Financial Hardship Policy

Attorneys experiencing financial hardship who are interested in attending the Managed Funds Association educational programs are encouraged to submit a request for scholarship. Requests are considered on a case-by-case basis and, in general, a 100% scholarship is offered to eligible attendees who are currently in transition and actively seeking another position, and a 50% scholarship is offered to attendees who work for non-profits, express a difficult financial situation, or earn less than \$50,000.
